

**Pre-bid clarifications of RFP for Middleware for Payment System application of HARCO Bank and 19 DCCbs in State
Tender Ref. No. - EDP/2018-19/Middleware II**

Mindmil Software Limited

S. No.	Page No.	Clause	Current Specifications	Queries / Suggestions	Bank's remarks
1		Annexure-1: Minimum Eligibility Criteria	Bidder should have Implemented Payment middleware Solution for RTGS/NEFT Services successfully for at least 10 Banks in India.	Mindmill have very vast experience in implementation of payment middleware solution for RTGS/NEFT services in India and Abroad. We request you to remove the criteria of implementation in state cooperative bank and kindly amend the clause as below: "Bidder should have Implemented Payment Middleware Solution for RTGS/NEFT services successfully for at least any 5 Banks in India	Agreed, Bidder should have Implemented Payment Middleware Solution for RTGS/NEFT services successfully for at least any 5 Banks in India. Bidder should furnish Purchase Orders in this respect.

Fiorano

1				Interface with Bank's existing Scanners. Please explain on this. What kind of integration is required with the scanners. It is assumed to upload scanned documents to a DMS(Document management system). Please correct me if am wrong	Stand removed. Not required
---	--	--	--	--	------------------------------------

2				Rules for signing for specific message types.Please elucidate on the kind of rules.	Message types could be auto signed without manual intervention.
3				Auto Rejection based on pre-determined rule.(Is this something like Transfer amount > certain amount , we need to reject the message)	Auto rejection based on invalid account number, IFSC Code etc.
4				May I request you for more information on the below point. Append digital Certificate (UMAC) from Token and route the message to NEFT/RTGS Queue	After Signing transactions through digital certificate route the message through NEFT/RTGS Queue
5				I seek clarification regarding annexure 1: Minimum Eligibility Criteria, point no. 3 which states that "Bidder should have Implemented Payment middleware Solution for RTGS/NEFT Services successfully for at least 10 Banks in India."	Bidder should have Implemented Payment Middleware Solution for RTGS/NEFT services successfully for at least any 5 Banks in India. Bidder should furnish Purchase Orders in this respect.
